Docket No. R2013-11

**UNITED STATES POSTAL SERVICE NOTICE
OF REVISIONS TO USPS-R2010-4R/6 -- ERRATA**
(November 13, 2013)

On September 26, 2013, the Postal Service filed its renewed Request for Exigent Relief, which was docketed by the Commission as Docket No. R2013-11. The Postal Service hereby provides notice of very minor changes to USPS-R2010-4/6 (Special Services), relating to a formula error in the Insurance table where the wrong volumes were presented for the purpose of calculating the overall percentage change in price. The correction of this error changes the overall price change for Insurance from 4.493 percent to 4.502 percent, but had no impact on the overall percentage change for the Special Services class as a whole.

In USPS-R2010-4R/6, the correction causes changes in both the Preface and the Excel spreadsheet. The changes in the Preface are explained at the end of the Preface. In the Excel spreadsheet, the tabs that change are highlighted in yellow, and within those tabs, the cells that change are also highlighted in yellow.

A new CD accompanies this filing, which completely replaces the original disk for USPS-R2010-4R/6.

Respectfully submitted,

UNITED STATES POSTAL SERVICE
